

## Technician Grade Dielectric Grease with Precision Tip Applicator, .5 Wt Oz

No. 05109 | Item# 1003727 | Case# 1003726

|                           |                                                                                                                                                                                                                          |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description       | A unique, non-curing compound used for sealing, protecting & electrical insulating. Improves electrical performance by reducing arcing, voltage drop & other conditions. Also ideal for lubrication of plastic & rubber. |
| Applications              | Electrical connections, circuit breakers, contacts, spark plug boots, trailer connectors, HEI distributor, battery terminals, contacts, lubrication of plastic, rubber parts & o-rings                                   |
| Unit Package Description  | 0.5 Ounce Tube                                                                                                                                                                                                           |
| Brand                     | CRC                                                                                                                                                                                                                      |
| Generic Description 1     | Dielectric Grease                                                                                                                                                                                                        |
| Net Fill                  | 0.5 Wt Oz                                                                                                                                                                                                                |
| UPC Code                  | 078254051093                                                                                                                                                                                                             |
| Unit Dimensions           | 7.88H x 2.75W x 1D in                                                                                                                                                                                                    |
| Units Per Case            | 12                                                                                                                                                                                                                       |
| Case Dimensions           | 8.13H x 6W x 4D in                                                                                                                                                                                                       |
| Cases Per Pallet          | 370                                                                                                                                                                                                                      |
