Hombre

Safety Glasses

Plus Series

Specification Sheet

PRODUCT DESCRIPTION:

Hombre® safety glasses deliver style, safety, and selection. The dual focus/single lens design provides extra coverage insuring a near total orbital seal. The durable matte finished frame provides a soft touch feel that will cater to even the roughest use. The brow guard provides potent impact protection with rugged style. Combine the tough frame with the lightweight lens and this Hombre® is one of the best you'd want to take into any work environment. Add the multiple frame and lens options and you're sure to select one that works as hard as you do.

FEATURES:

- Single wrap around dual focus design
- Black or Silver lightweight nylon matte finish frame options
- Non-Slip soft temple material
- Soft, secure TPR nose pad
