Plasma

Safety Glasses

Plus Series

Specification Sheet

PRODUCT DESCRIPTION:

Plasma® protective eyewear includes a fashionable wrap-around lens design that offers an excellent orbital seal and a higher level of protection from side impacts due to its greater coverage area. Ten lens color options are available including our popular amber and brown lens. TPR (Thermal Plastic Rubber) nose and temple inserts that enhance grip and comfort are included on all styles. Available in tortoise shell or black frame. A percentage of all sale proceeds will be donated to the Wounded Warrior Project™ on all Digital Camo styles.

FEATURES:

- Resilient polycarbonate spring hinge temple
- Non-Slip soft temple material
- Soft secure TPR nose pad
- Available in tortoise shell and black frame options
- Rugged polycarbonate lens filters 99.9% of harmful U.V. rays
