## FIVE STAR DRYWALL KNIVES

### Rivet-Free Handle, Will Not Rust

Features a non-rust stainless steel blade and rivet-free handle. Constructed for strength and longevity. That is why these our most popular drywall knives. The 8 available sizes and are ideal for scraping, painting, and drywall applications. Choose from a standard or more flexible limber blade. Comfortable contoured handle is easy to grasp and protects hands from the blade. Also available with a sure grip.

Add "L" after part number for a more flexible limber blade. Available only on 4", 5", 6", 8", and 10" knives.
