

T230 OUTSIDE MICROMETERS

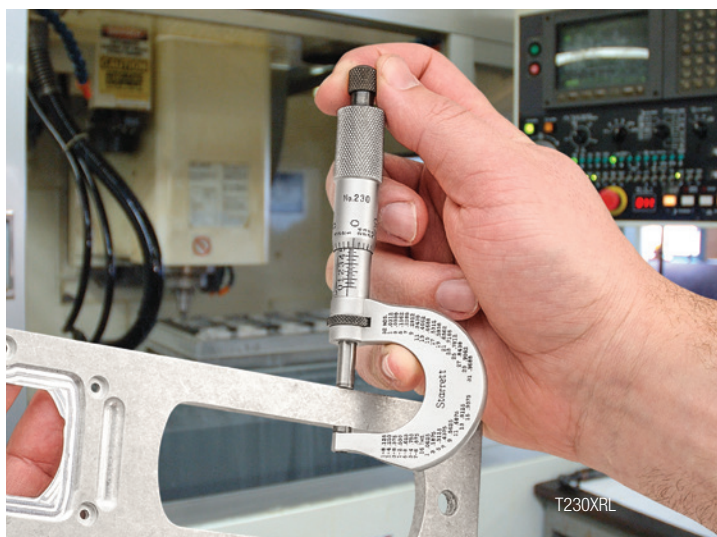

Starrett®

PRECISION HAND TOOLS

The crown jewel of precision micrometers, trusted by skilled workmen around the world, the T230 represents the highest standard of accuracy, durability, and craftsmanship. At its core is an extremely hard, stable one-piece spindle designed to maintain precision through years of demanding use. Its satin-chrome finish, flawless balance, and iconic design reflect over a century of American made excellence, proving that it's as beautiful to hold as it is exact in measurement.
