

Multiple position bar for side handle (627362000)

Order no. 627362000

EAN 4007430243737

Representative picture

- The 180° handle allows you to adjust the second grip position to any unique level, for ergonomic, low-fatigue work, e.g. for cutting work or for left-handed users
- The side handle can be adjusted without tools for changing working positions
- The robust hexagonal form allows you to fold the additional handle back for secure, two-handed work, even in narrow areas.
- Plug-in Angle Grinder: Suitable for W.. 9-.., WE.. 10-125 Quick .., W.. 11-.., W..12-.., W.. 13-.., WE.. 15-.., WE.. 17-.., WE.. 19-.., W.. 1100-.. (built in 2019 or later), WEQ 1400-125, except for WEF 9-125 Quick, WEPF 9-125 Quick,
